

Art at Home

Here are some great websites offering free ideas/tutorials on arts and crafts:

<https://www.facebook.com/makepaducah/> Make are doing live art lessons that you can do with some paper, pens and household equipment.

https://youtu.be/cGM_VhNXMmo Art for Kids Hub have loads of videos for fun drawing and art ideas.

If you want to focus on a certain type or approach to art here are some places that can start you off.

Drawing

- Sketching and different techniques for creating pencil lines
<https://www.twinkl.co.uk/resource/t2-a-021-ks2-art-drawing-techniques-lesson-teaching-pack>
- Drawing step by step. <https://www.twinkl.co.uk/resource/t-l-52275-step-by-step-drawing-jungle-animals-activity-sheets> ;
- Tracing a picture or photograph.

There are so many ideas and techniques to get you started on twinkl, which is offering free subscription <https://www.twinkl.co.uk/resources/year-3-and-year-4-age-7-9-parents/art-and-design-year-3-and-year-4-age-7-9-parents/sketching-and-drawing-art-and-design-year-3-and-year-4-age-7-9-parents>

Painting

<https://www.bbc.co.uk/teach/class-clips-video/art-and-design-printmaking-different-materials/zhytscw>

Collage

- Do you have any newspapers, magazines or coloured paper lying around. How about glue? You could create a collage of a piece of art or an idea in your head by cutting or tearing paper into shape. You could collect objects outside or fun stickers to use in your collage.

This link has detailed examples and step by steps ideas for a wide range of different collage techniques

<https://www.tes.com/teaching-resource/collage-as-a-technique-6064501>

Digital

- The busy things website has lots of activities to create digital art, influenced by famous artists. They can experiment with impressionist painting and Pop Art to name a few.

- This Website has a list of other pages where children can create digital art

<https://artful-kids.com/2010/07/02/digital-art-for-kids/>

Photography

- Take some interesting photos! Experiment with different effects/viewpoints on your camera. Think about the angle you are taking the photo. How can you make the same thing look different by using your camera differently. Then you can experiment with editing the photo or creating a photo collage.

Looking at artists

A great way to learn about art is through looking at other artists and what they have achieved. You can think about what you like/don't like about the artist's work, you can copy their style or use it to help create your own. Here are some interesting artists you could choose.

- Kandinsky (expressionist)
- Andy Warhol (colourful POP Art)
- Roy Lichtenstein (think comic book project!)
- Banksy (street art)
- Claude Monet (impressionist)
- Aboudia Abdoulaye Diarrassouba (contemporary African artist, graffiti style)
- Lionel Smit (contemporary Portraits)
- Jung Lee (Korean contemporary photographs and light)
- Mamafaka (Thai graphic designer)
- Bengali (Bengali artist, Geometric style portraits)
