### New Parent App

Our new Parent App, Weduc, is live!

Please download the app. It is a digital communications tool which allows you, as parents, to see a wealth of important information concerning your child, right at your fingertips. It provides a great platform for us to notify you of key dates in the term, to keep you up to speed with your child's learning and for sending our important notices, amongst many other things.

### Attendance

Please be reminded that we need to see medical evidence if your child's attendance is below 90%. We need to see any texts, emails or appointment cards for any appointments your child has either during the school day or when they are off ill. These can be shown to the office staff, emailed or handed in at the office.

### Whales Class – Forest School

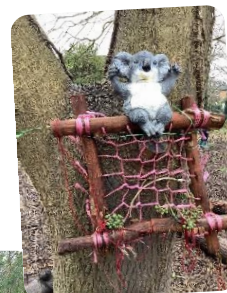

Year 5 have enjoyed a morning of forest school to consolidate their geography topic. They analysed the different types of trees and their characteristics and collected samples of insects in their natural habitat such as woodlice, slugs and earthworms. Whales Class also learnt about survival skills such as how to construct shelter using minimal materials and how to build and maintain a fire safely.

They enjoyed other activities: creating a wildlife wreath, building a den for small creatures and roasting marshmallows on an open fire.

Sophia *"I enjoyed cooking smores on the open fire - they were extremely tasty"*

Heldira *"I enjoyed building the tent - it required lots of teamwork."*

Paul *"I loved birdwatching - the binoculars were really useful when trying to identify the different types of birds that visit forest school."*
