Wear Red

To celebrate our theme of Love and Valentine's Day we would like all our pupils to wear something **RED** for a suggested donation of **£1.00** on Friday 10th February, to raise funds for All Saints'.

'Want to talk about it? Making space for conversations about life online' will be the theme for this year's Safer Internet Day with celebrations and learning.

In the Year 1 RE lesson, children enjoyed role playing the different parts of a baptism service. Each child had an opportunity to be the priest, the parents or the godparents. The children talked about the importance of the candle, gown and water.

Children then thought about the promises the parents and godparents make to the new babies and agreed the most important promise was to help the baby grow up with Christian values.

What do we do to show this?

Our school is based on the love of learning, social justice, inclusion and responsibility.

What do we do to show that our school is based on the love of:
learning, social justice, inclusion and responsibility ?

It is committed to bringing positive change and peace in our local community and the world.

What do we do to show that our school brings **positive change and peace in our local community and world?**

"What does the Lord require from you, but to do justice, love kindness and to **walk humbly with your God**"

Micah 6:8.

what is God asking of us here?

What is meant by social justice?

"Social justice is the view that everyone deserves equal economic, political and social rights and opportunities.

Justice helps us work out what is fair, what is right and what is wrong. When justice is working, everyone feels like they are being treated fairly. Rules and laws help people figure out what is 'just' or fair.
