## Mobile Phone Policy

### for staff, visitors, volunteers and pupils

**This policy provides clear guidance on the use of mobile phones in school by both staff and pupils.**

#### **SIAMS VISION STATEMENT**

All Believing All Achieving

All Saints' School is an open and caring community committed to Christian values. Our school is based on the love of learning, social justice, inclusion and responsibility. It is committed to bringing positive change and peace in our local community, and the world, since we are all made in God's image.

"What does the Lord require from you, but to do justice, and love kindness and to walk humbly with your God" Micah 6:8.

#### **Introduction**

All Saints has a clear policy on allowing pupils to bring mobile phones into school and this policy makes explicit reference to camera mobile phones.

#### **Camera Mobile Phones**

Camera mobile phones are becoming increasingly popular and a built in digital camera enables users to take high resolution pictures. These can be sent instantly to other mobile phone users or email addresses. They can also be posted on the internet or in chat rooms. There is a potential for camera mobile phones to be misused in schools. They can become an instrument of bullying or harassment directed against pupils or/and teachers.

#### **Staff policy**

Staff use of mobile phones during their working day should be:

- outside of their contracted hours
- discreet and appropriate e.g.: not in the presence of pupils

Mobile phones should be switched off and left in a safe place during lesson times. The school cannot take responsibility for items that are lost or stolen.

Staff should **never** contact pupils or parents from their personal mobile phone or give their mobile phone number to pupils or parents. If a member of staff needs to make telephone contact with a pupil, they should use the school telephone in the office.

Staff should never send to, or accept from, colleagues or pupils, texts or images that could be viewed as inappropriate.

With regard to camera phones, a member of staff should never use their phone to photograph a pupil(s) or allow themselves to be photographed by pupils

This guidance should be seen as a safeguard for members of staff, the school and the Local Authority. Staff should understand that failure to comply with the policy is likely to result in the enforcement of the Whistleblowing policy and associated procedures.

## **Parent, Visitors or Volunteers in School Policy**

Adults either in school or accompanying children on school trips should not use their cameras or mobile phone cameras to take pictures of pupils unless it is at a public event such as Sports day or Summer fair and of their own children.

Adults, visitors or volunteers in school should only use their mobile phone within the confines of the school office or staff room. Personal cameras and mobile phone cameras should not be used to take pictures of children. If parents who accompany children on a school trip are asked by the teacher to take photos as a record of the educational visit, they will be issued with a school camera. Parents accompanying children on school trips should not use their mobile cameras to take pictures of children.

## **Pupil Policy**

While we fully acknowledge a parent's right to allow their child to bring a mobile phone to school if they walk to and from school without adult supervision, All Saints discourages pupils bringing mobile phones to school due to the potential issues raised above.

When a child needs to bring a phone into school, a permission slip (Appendix 1) must be signed by the parent and the phone must be left in the school office at the start of the day and collected at the end of the day. Phones should be clearly marked so that each pupil knows their own phone. Parents are advised that All Saints accepts no liability for the loss or damage to mobile phones which are brought into school or school grounds.

If images of other pupils or teacher have been taken, the phone will not be returned to the pupil until the images have been removed by the pupil in the presence of a senior teacher. (Please see more guidance on sexting in our Child Protection Policy).

Should a pupil be found to be using their phone inappropriately, the school reserves the right to withdraw this privilege and they will no longer be able to bring a phone into school. *We ask that parents should talk to their children about the appropriate use of text messages as they can often be used to bully pupils.*

*Should parents need to contact pupils or vice versa during the school day, this should be done via the usual school procedure of contacting the school office via phone or email.*

The policy supports the Health & Safety, Anti bullying, Child Protection, Safeguarding and Internet/E-safety Policies. This policy will be monitored and reviewed as required but at least every two years.
