

Windrush Day Half Term Homework May 2023 due by Friday 16th June 2023

Look at **Basil Watson the National Windrush Monument 2022** (below)
<https://artuk.org/discover/artworks/the-national-windrush-monument-323977> to see more pictures.

Think about these questions:

Who can you see in this sculpture?

How are the people dressed?

Are these the sorts of clothes people wear today?

What are they standing on?

What does this tell you about them?

What do you think the people are thinking and feeling?

What do you think the sculpture is made from?

Homework Task: Design a Windrush sculpture or Windrush painting

Write some information about your work on the back of your design or on a separate piece of paper.

Is it a family like the sculpture above? A scene from the boat? See below for examples

Example of Windrush art (painting)

Sculpture to commemorate Windrush and commonwealth nurses and midwives.

Fruit sculptures in Hackney to honour Windrush generation

Top Tips: Make your painting/drawing colourful, feature an element of Windrush such as the boat or migrants etc.

Sculpture design: Can be a picture of your sculpture or make a sculpture modelled in clay or plaster (if you have materials at home) or recyclable materials.
