

Courageous advocate

We are courageous advocates for the common good, locally, nationally and globally. 'Courageous advocacy', enables pupils and our school community to develop a greater awareness of the challenges others face in life and how they, as individuals, can support causes and make a difference in our school community, local community and further afield.

Supporting a wide number of charities, locally, nationally and globally, is an integral part of life at All Saints' C of E Primary School. We support a range of charities in our local area, nationally and globally. The school council work with staff, governors, parents, pupils and All Saints Church to identify worthy causes to support. Our schools stand up for what we believe. We have met with Local Councillors to raise issues of significance to the school community, including road safety around our school. Staff, children and parents regularly support and organise fundraising events, with children even suggesting and organising events of their own.

In recent years, we have carried out a range of different fundraising to support many good causes, some of which include:

The Lunchbowl network: Kibera: (Partnership with school in Kibera)

The Children's Society; Christingle

Sports Relief;

NSPCC; (National Society for the Prevention of Cruelty to Children)

Comic Relief;

Children in Need;

Macmillan;

The Royal British Legion Poppy Appeal.

Church Charity this year-

Food bank for Croydon and our own community

Bishop Lent Appeal

Our children have an excellent grasp on the meaning of belonging to a local and global community and the sense of responsibility that comes with belonging. Thereby developing their ability to empathise and make a small sacrifice to benefit others. Together we consider the beauty and fragility of our environment, the actions we take, and the impact these actions may have on the well-being of everyone. Our school community and curriculum actively embraces a responsibility for the world in which we live. We are diligent to show our connection with, and care for, the world in which we all live and care for the people who live in it.

Subject: Happy wreaths for Croyle's Christmas Lane

I just wanted to email and say thank you for the wonderful happy wreaths that your school created for the Christmas Lane.

They really added to the evening and we were so proud to display them alongside a small poster explaining which school that made what!

Please find attached some photographs of the displays, including one of the trays and two concept booklets of them.

Your work is ready to be collected should you wish to have it back for a display at school or anything. Please let me know if you intend to collect it and when and I can arrange for it to be at the Research room where most of you dropped the original art work.

On behalf of the Museum of Croyle I want to say: Thankyou.

Kind Regards

Art Projects

Thank you for your donation of £129.80 to the Children's Society.

The Children's Society is grateful for your generous contribution to our Christmas Appeal.

Yours faithfully,
The Children's Society

The Children's Society's Christmas Wreath is made and commemorated together!

We raised nearly £500 for the children's society!
