

## Lent Reflection with Mrs Copeland

Bishop Christopher's Lent Call Message 2024

"This year I have focused my Lent Call on our Link Dioceses in Zimbabwe and in Jerusalem. My theme is: **"Let Justice roll down like waters and righteousness like an ever-flowing stream"** Amos 5:24

In this troubled world in which we live, I want to encourage you to keep a holy and prayerful Lent in preparation for Holy Week and Easter and I hope that you will want to spend time together or individually praying for our world and especially for the situations of the people in our Link Dioceses.

We are all called to give in response to all that God has given to us. This giving is both of ourselves in loving and prayerful service. May we pray together, as a Diocese, in both our schools and parishes, show our care and support for those in our world who are in need.

Thank you. "
