## Hummingbird Class Worship

Hummingbird's Class worship celebrated their topic about the Arctic. They talked about geographical features of the Arctic, the explorer, Matthew Henson and the polar bears who are struggling to survive due to climate change. The children importantly celebrated the school's value, Perseverance, through a reminder of our continued commitment to take action against global warming. They also brought the school's vision to surface: to do **justice** and advocate for Arctic animals, to **love kindly** and care for our planet and to **walk humbly** to preserve its beauty.
