All Believing, All Achieving

Dear Parents/Carers

24<sup>th</sup> January 2025 – Week 21

***'See what great love the Father has lavished on us that we should be called children of God!' 1 John 3.1***

**"What does the Lord require from you, but to do justice, love kindness and to walk humbly with your God." (Micah 6:8)**

## Maths in Year Hummingbirds!

In Maths we have been using concrete resources like counters, dienes and number lines to help children visualise numbers and operations. Concrete resources, also known as manipulatives, are physical objects that children can use to learn Maths. They can help children understand numbers and the number system making it a fun way to learn.

**Rational – adjective** – consistent with or based on or using reason

## Whales Class Worship

Whales Class enjoyed a special worship today, where they explored the fascinating themes of Earth and Space. The children reflected on the wonders of our planet and the vastness of the Universe, engaging in discussions and activities that sparked curiosity and a sense of awe about the world around them. They also showcased some Haiku poems about the planets:

### Neptune

Mysterious and dark  
A blend of gas and rock  
Furthest from the Sun

Atika

### Earth

Ours to live in  
Just right for survival  
Pretty precious globe

Trisha

### Uranus

A cloudy bubble  
Blends methane and ammonia  
A blue icy ball

Anayah

## Eucharist

On Sunday 26<sup>th</sup> January 2025 at 10.00am, there is an All-Age Interactive Eucharist at All Saints Church. All children and parents are invited. There will be a reception with donuts to follow the service. Hope some of you will be able to attend.

## Reporting absences

### What YOU must do:

Try to telephone the school before 8.30am each day of your child's absence or email.

Tell the school in advance, of any medical appointments and bring in appointment cards/letters.

If you are not sure whether your child is well enough to attend school, send them in anyway as they often perk up on arrival.

If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!

### What WE will do:

Check your child's attendance every day.

Phone home to discuss your child's attendance with you.

Invite you into school for attendance meetings if we are concerned.

If we cannot establish a reason for absence, then we may make a welfare home visit.

**If you are unsure, please contact a member of staff.**

Please download the Studybugs app that we are now using for reporting your child's absence.
