All Believing, All Achieving

Dear Parents/Carers

9<sup>th</sup> May 2025 Week 36

***'For God has not given us a spirit of fear and timidity, but power, love and self-discipline.'* 2 Timothy 1:7**

**"What does the Lord require from you, but to do justice, love kindness and to walk humbly with your God." (Micah 6:8)**

## Year 4 Sivan Temple Trip

Year 4 Class visited the Sivan Hindu Temple in Lewisham. The temple serves as a vital place of worship dedicated to Lord Shiva, where devotees engage in rituals, prayers and community activities, while honouring the deity's significance and teachings. Hinduism and the different gods were Year 4's topic last term, so the trip to the temple really brought the topic to life!

any ball-shaped thing

### Year 6 SATs Week and Breakfast

All Year 6 pupils are invited to come to school from Monday 13<sup>th</sup> May at 8.15am. It is an opportunity to have a free cooked breakfast together and say a prayer before the SATs.

### Prayers for Conflict to End

The people of Pakistan and India are in our prayers. We pray that people are kept safe and the conflict ends and for peace to prevail.

Pray

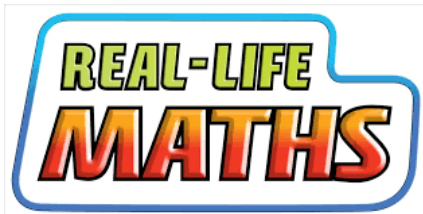

### Reading Workshop for Parents

What a great turnout for the Reading Workshop today led by Miss Nyamekye and Mrs Okonji. Parents/Carers were really engaged and asked a lot of relevant questions. Working together, we can really get our children to LOVE reading!

### Help Your Child Love Maths Workshops

Look out for the Real Maths workshops that are coming up, where parents and carers are invited in to a Maths lesson with their child's class!

## Reporting Absences

### What YOU must do:

Try to telephone the school before 8.30am each day of your child's absence or email.

Report your child's absence via the Studybugs App.

Tell the school in advance, of any medical appointments and bring in appointment cards/letters.

If you are not sure whether your child is well enough to attend school, send them in anyway as they often perk up on arrival.

If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!

### What WE will do:

Check your child's attendance every day.

Phone home to discuss your child's attendance with you.

Invite you into school for attendance meetings if we are concerned.

If we cannot establish a reason for absence, then we may make a welfare home visit.

If you are unsure, please contact a member of staff.

**Please download the Studybugs app that we are now using for reporting your child's absence.**

**5 days absence is equivalent to 10 sessions and each session is counted as an absence.**

**So, morning and afternoon registration counts!**

**A reminder that holidays will not be authorised during term time. You may be at risk of receiving a fine from the Local Authority, which is currently £160 per parent, reducing to £80 per parent if paid within 21 days.**

Download the Studybugs app for reporting your child's absence.

On 21<sup>st</sup> May, we will be taking part in National Numeracy Day.  
The theme for the day is 'Money' and continues the work we have been doing with the 'help your child love maths' workshops.

### Year 5 Science – Forces in Action

Year 5 have been exploring the topic of Forces through interactive and engaging activities. Our display features key vocabulary, pupil-led questions, and an interactive QR code linking to the BBC Bitesize for further learning. Students enjoyed hands-on tasks such as sorting picture cards into push and pull categories and investigating how different forces affect movement. These photos show their brilliant work in action!

With every blessing!
