All Believing, All Achieving

Dear Parents/Carers

20<sup>th</sup> June 2025 Week 42

## ***'Having Hope will give you courage.'* Job 18:11**

**"What does the Lord require from you, but to do justice, love kindness and to walk humbly with your God." (Micah 6:8)**

### Year 2 Class Worship

Hummingbirds Class worship was based on the Windrush Generation. They reminded us to treat everyone with respect no matter what their backgrounds. The children took us through the excitement of setting off on a new journey full of hope to help rebuild Britain after WWII, the challenges the Windrush Generation faced when they arrived, and the how unfair the treatment they received made them feel. There was a reading of an extract from Floella Benjamin's book, 'Coming to England' and a poem recital. The Class sang beautifully to the whole school, retelling the story of the Windrush Generation and sending a clear message – 'One Love'. They were fabulous!

## Word Of The Week

**Establish – verb** – to start something such as a company, system, situation, etc., especially one that will exist for a long time; to begin a relationship, conversation etc., with someone; to find out facts that will prove something is true.

### Year 3 Gardening Workshop

Our Year 3 pupils were invited to Grangewood Edible Garden to take part in a workshop to connect with stories from Ancient Egypt and the God of Agriculture, Osiris/Ausar. The Grangewood Edible Garden has Community Days on the first Sunday of every month from 11am – 1pm. All are welcome to come and join in!

### Nursery & Reception Trip to Deen City Farm

EYFS enjoyed their fabulous trip to Deen City Farm on Thursday. The weather was lovely, it was sunny and bright. They enjoyed a workshop about the life cycle of a butterfly, they got to see the egg, caterpillar larva and the chrysalis. They also had fun looking at a stick insect. After they wandered the farm and saw goats, sheep, cows, rabbits, ducks, hens and cockerels. They had a fantastic day!

The life cycle begins with a tiny egg

Caterpillar larva

The chrysalis

They had fun with a stick insect too!

## Year 4

Year 4 cleaned up the field in their morning break, the day after a very successful sports day! Eco Warriors in the making. Well done Year 4 for all that litter picking and recycling.

## Sports Day 2025!

A wonderfully sunny sports day, with the field awash in the house colours of red, green, yellow and blue. Always great to see so many families in to support their children, each other and the teachers in all the events! The pupils had a brilliant time! We would also like to thank Ballers Sports Coaching for the smooth running of sports day!

### Reporting an Absence

#### What YOU must do:

Try to telephone the school before 8.30am each day of your child's absence or email.

Report your child's absence via the Studybugs App.

Tell the school in advance, of any medical appointments and bring in appointment cards/letters.

If you are not sure whether your child is well enough to attend school, send them in anyway as they often perk up on arrival.

If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!

#### What WE will do:

Check your child's attendance every day.

Phone home to discuss your child's attendance with you.

Invite you into school for attendance meetings if we are concerned.

If we cannot establish a reason for absence, then we may make a welfare home visit.

If you are unsure, please contact a member of staff.

**Please download the Studybugs app that we are now using for reporting your child's absence.**

**5 days absence is equivalent to 10 sessions and each session is counted as an absence.**

**So, morning and afternoon registration counts!**

**A reminder that holidays will not be authorised during term time. You may be at risk of receiving a fine from the Local Authority, which is currently £160 per parent, reducing to £80 per parent if paid within 21 days.**

Download the Studybugs app for reporting your child's absence.

A quick and secure way to report absence due to illness and send messages to school.

Available on the App Store and Google Play.
