All Believing, All Achieving

Dear Parents/Carers

19th September 2025 – Week 3

***"Honour your father and mother and you shall love your neighbour as yourself."
Matthew 19.19***

"What does the Lord require from you, but to do justice, love kindness and to walk humbly with your God." (Micah 6:8)

Year 5 Science

This term, in Science, Year 5 are learning about *Mixtures and Separation*. In their first lesson, they explored what happens when different substances are combined.

They discovered that a mixture is made when two or more substances are mixed together and remain present. It was a lot of fun mixing flour, sugar, soil, water and paper clips to see how they interacted. They are really looking forward to their next lesson, where they will investigate how to separate their mixtures.
