All Believing, All Achieving

Dear Parents/Carers

13<sup>th</sup> March 2026 – Week 28

***'Jesus said to him, if you can believe, all things are possible to him who believes.'***  
**Mark 9:23**

**"What does the Lord require from you, but to do justice, love kindness and to walk humbly with your God." (Micah 6:8)**

## Dolphin Class Worship

Year 1 presented a wonderful assembly about castles. The children performed songs, dances and a fun jousting scene, which made the assembly very entertaining! They spoke their lines clearly and confidently and showed great enthusiasm throughout the performance. It was lovely to see the children working together and performing so proudly on stage.

The audience really enjoyed Year 1's Worship. Well done to Year 1 for their fantastic effort!

**Paradigm** – the generally accepted perspective of a particular discipline at a given time

## Science Week

It has been an exciting Science Week in Nursery as they have been exploring the fascinating life cycle of the butterfly! Our young scientists have been busy observing and monitoring our very own live caterpillars, learning that a group of these tiny creatures is actually called a 'kaleidoscope'. To bring their learning to life, the children used their art and design skills to create their own vibrant caterpillars using a variety of colourful paper. It has been wonderful to see the children's curiosity grow alongside their new classroom 'friends'!

As part of the PINS project, parents and carers are asked to complete a short survey. <https://forms.cloud.microsoft/e/D20nY6x2Lr> This link will take you to the survey.

The deadline for completion is Monday 16<sup>th</sup> March 2026 at 11.45pm
