All Believing, All Achieving

Dear Parents/Carers

5th June 2026 – Week 40

"Be joyful in hope, patient in affliction, and faithful in prayer." Romans 12:12

"What does the Lord require from you, but to do justice, love kindness and to walk humbly with your God." (Micah 6:8)

Welcome Back!

Dear Parents and Carers,

I hope you all enjoyed a restful half-term break and found time to relax, recharge and enjoy some special moments together.

As we begin our final half term of the academic year, there is a real sense of excitement and anticipation across the school. It is always a busy and memorable time, filled with opportunities for learning, celebration and reflection.

For our Year 6 pupils, most test are now behind them, and I would like to congratulate all children for the perseverance, resilience and positive attitudes they have shown. We are incredibly proud of their efforts.

This half term brings many exciting events, including trips out, Sports Day, Maths competitions, transaction activities and opportunities to celebrate the many talents of our pupils. Our Year 6 children are now turning their attention to their end-of-year production, which promises to be a wonderful showcase of their confidence, creativity and teamwork. We also look forward to celebrating their time at All Saints as they prepare for the next stage of their educational journey.

We are delighted to be welcoming fathers, grandfathers and other special family members into school for our Father's Day lunch and look forward to sharing this special occasion together.

As the days become warmer and brighter, we encourage all children to make the most of outdoor learning, play and physical activity. Please remember to send children to school with a water bottle and suitable sun protection when needed.

Towards the end of this term, children will also begin spending time getting to know their new classes and teachers ready for September. Alongside this, families will receive their child's end-of-year report, celebrating achievements, progress and personal growth throughout the year.

Our value this half-term is HOPE. Hope encourages us to look forward with confidence, to believe in ourselves and others and to trust through effort, determination and faith, great things can happen. As we approach the end of another successful year, hope reminds us to celebrate how far we have come while looking forward with excitement to the opportunities that lie ahead.

Thank you, as always, for your continued support.

Together, we look forward to a happy, successful and hope-filled final half-term.

With every blessing!

Josephine Copeland - Headteacher

'May the God of hope fill you with all joy and peace as you trust in Him.' **Romans 15:13**

Junior Mathematical Challenge

Pupils from Years 5 and 6 participated in the Junior Mathematical Challenge – a nationwide problem-solving competition for talented mathematicians. Considering they went up against Year 7s and 8s, our pupils did very well. Special congratulations to Dayib, who was awarded a Silver certificate!

Stars of the Week

Nursery Butterflies Class	Gabrielius & Mathews
Reception Giraffes Class	Amytis & Amelia-Rose
Year 1 Dolphin Class	Nada & Caleb Junior
Year 2 Hummingbirds Class	Scarla & Bailey
Year 3 Orangutan Class	Samik & Sadaf
Year 4 Cheetahs Class	Deborah & Abubakar
