All Believing, All Achieving

Dear Parents/Carers

17th July 2026 – Week 46

'God can bring peace to your past, purpose to your present, and HOPE to your future.'

John 14:27

"What does the Lord require from you, but to do justice, love kindness and to walk humbly with your God." (Micah 6:8)

Dear Parents, Carers and Members of the All Saints PTA,

As we come to the end of another wonderful school year, I would like to take this opportunity, on behalf of the staff, governors and pupils of All Saints, to say a heartfelt **thank you** to our incredible PTA.

Your enthusiasm, generosity and commitment have made such a difference to our school community this year. Through your hard work, ideas and willingness to give your time, you have not only helped to raise valuable funds, but have also brought our families, staff and local community together in a way that truly reflects the spirit of **All Believing, All Achieving**.

Our **Summer Recycling Fair** was a fantastic example of this community spirit in action. Thanks to your support and the generosity of everyone involved, we raised an amazing **£700** for the school! This is a wonderful achievement and one that we should all be incredibly proud of.

A huge thank you to every parent, pupil, member of staff, friend of the school and local business who donated, volunteered their time, ran a stall, baked cakes, ran the bouncy castle, provided donations, entertained our visitors or simply came along to support us. Every contribution, no matter how big or small, helped make the afternoon such a success.

It was wonderful to see our school playground filled with laughter, conversation and smiling faces as families came together to shop, recycle, enjoy the sunshine and support one another. Events like these remind us that All Saints is much more than a school – it is a caring, supportive community where everyone plays a part.

This was just the beginning! We have learnt so much from this year's event, and with your continued support, we are already looking forward to making the next one **even bigger and even better!**

Thank you once again for everything you have done throughout the year. Your kindness, generosity and community spirit are truly appreciated, and together we continue to make All Saints a very special place for our children.

We wish you all a safe, happy and restful summer and look forward to working together again in the new academic year.

With sincere thanks,

Josephine Copeland

They also had a fantastic time at the disco on Monday night. They have written some beautiful reflections of their time here at All Saints. We wish them every success in the future. Since starting primary school, I have matured and I have grown in knowledge. My handwriting has become exceptionally better, I have made lots of great friends and become great at everything I have practiced because All Saints taught me to never give up. I look forward to the future that All Saints gave me. Perseverance, hope, love and respect is key values that All Saints taught me and I will bring them with me for wherever I go. Since starting primary school, I have become matured and consistent in my learning. I am proud that I can now look back at my journey and remember the time I have had with my peers. Joni, Year 6.

Dear me,

I can't believe I finished primary school and going to secondary school. I've been to this school since 2019 and I started in reception. My favourite memory is when I got chosen for communication teams. The teachers have supported me all the way through reception to year 6. Ever since I joined All Saints I've become more respectful, Mature and good at discipline. I am proud of facing my fear of audiences and ~~being~~ being more confidently on the stage. In secondary school I will carry on being myself, good listening and respecting people and my happiness. All Saints helped me to have more positive attitude and have more knowledge. If I was to come here again I would.

Nursesey and Reception Farm Visit

EYFS had a marvellous visit from the Animal Farm Club. They were able to meet and stroke: a Morio Worm, Guinea Pig, Royal Python, Leopard Gecko, Giant African Land Snail, a Horned Frog and a Giant Olive Millipede. The children learnt about different habitats that the animals and creatures live in. They had a great time!

I would like to let you know that Mr Tobi has made the decision to leave his role as Premises Assistant at All Saints C of E Primary School. His final day with us will be **31 August 2026**.

Whilst we completely respect Mr Tobi's decision and wish him every success for the future, we are naturally very sorry to see him leave. Since joining All Saints, Tobi has been a valued member of our premises team. Working alongside our other Premises Assistant, he has played an important role in ensuring our school remains a safe, welcoming and well-maintained environment for our children, families, staff and visitors.

Much of the work carried out by our site team happens behind the scenes, often before the school day begins or after it has ended. Tobi has approached his role with professionalism, commitment and a willingness to help wherever needed, and we are extremely grateful for everything he has contributed to our school community.

Tobi has decided that, following careful consideration of his personal circumstances and future plans, this is the right time to move on. We fully support his decision and thank him for the positive contribution he has made during his time at All Saints.

I know you will join me in thanking Tobi for his dedication and service and in wishing him every success and happiness for the future. He leaves with our sincere gratitude and will always be a valued member of the All Saints family.

Year 5 Reflections

My favourite day this year was when we did our class worship about Space/Curiosity, then me and three others went to a Maths Challenge in Guildhall London.

Jayden

The best day was the trip to the Royal Opera House because it was Christmas and the Nutcracker performance made me feel like I was in a magical movie.

Lidia

Thursdays are my favourite day because we do Art and play basketball.

Shackan

I'd give Year 5 a 10/10. It was my year where I enjoyed school and our lessons. I now understand that if you have a good mindset, you have a good time.

Jeri-Lu

I'm glad I entered the Bishop of Croydon's Christmas card competition because I ended up winning it!

Hadassah

I'm glad I tried in Maths. Even if I am wrong, I am still happy for other people.

Adaila

I am quietly proud of the progress I have made in Maths.

Gavish

I thought I would dislike all the Writing, but it was actually quite fun.

Callum

I was so surprised when I got first place on Sports Day – I couldn't believe it!
