What YOU must do:

Try to telephone the school before 8.30am **each day** of your child's absence or email.

Tell the school in advance, of any medical appointments and bring in appointment cards/letters.

If you are not sure whether your child is well enough to attend school, send them in anyway as they often perk up on arrival.

If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!

What WE will do:

Check your child's attendance every day.

Phone home to discuss your child's attendance with you.

Invite you into school for attendance meetings if we are concerned.

If we cannot establish a reason for absence, then we may make a welfare home visit.

If you are unsure, please contact a member of staff.

Please download the Studybugs app that we are now using for reporting your child's absence.
